mobileUNITS

10 YEARS OF EXPERIENCE

MOBILE UNITS - THE RIGHT CHOICE

HOME GYM 8.0 x 3.0 m - CHOOSE YOUR FINISH

Vertical steel slats on 3 walls, full height | rear wall graphite | 3 colours to choose from

FRONT ELEVATION

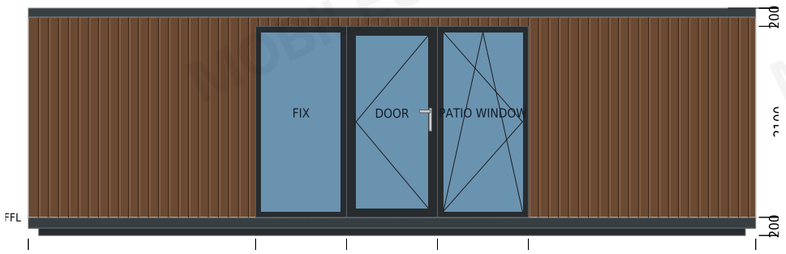

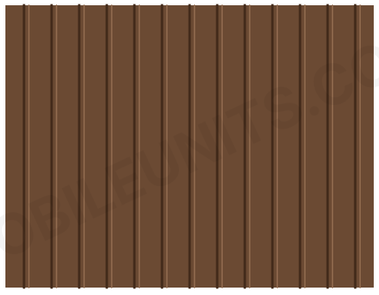

GOLDEN OAK

Vertical steel slats

Timber look, no painting

FRONT ELEVATION

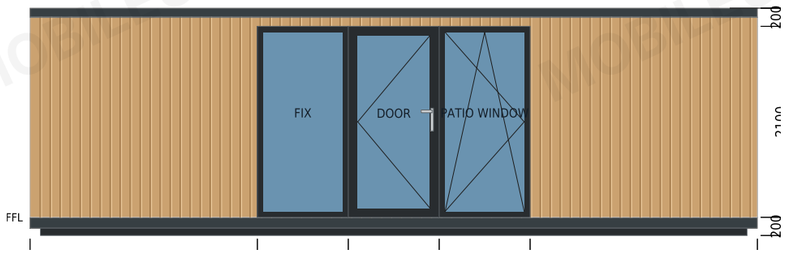

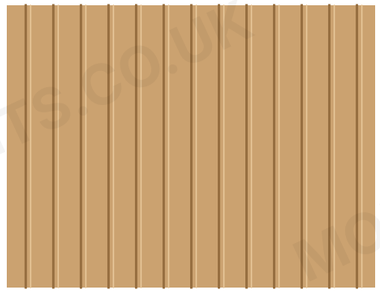

WALNUT

Vertical steel slats

Timber look, no painting

FRONT ELEVATION

WINCHESTER

Vertical steel slats

Timber look, no painting

Vertical steel slats give a warm timber look on a strong, low-maintenance steel finish.
They cover the front and both sides, full height. The rear wall stays graphite RAL 7016.
No rot, no painting, no oiling - just wash it down. Tell us your colour when you order.

Colours on screen and print can differ from the real finish - ask us for a sample.
